

# Collective Worship at Great Bowden Academy

## Spring Term 2020

During the first half of the term our Collective Worship theme is peace. We are looking at different ways of exploring our core values as we think about what peace means to different people and in different times and places. We are also thinking about advent and Candlemas as we celebrate different parts of the Christian Church calendar.

After the spring half term holiday our overarching theme is service. We are looking at ways in which people have given parts of their lives in service to others and using these examples as inspiration for the ways in which we enable everyone around us to flourish and live life in all its fullness. Towards the end of the term we are thinking about Easter.

### Our Vision Prayer

We value each other.  
We live life in all its fullness,  
so we flourish.

We have summarised our core values in a short prayer which we say often in class and as part of collective worship. It helps us to remember what the values are and keep them in our short term memory so we can apply them in our everyday lives.

Throughout the term we hold our worship in Church on the last Monday of the month. Everyone's welcome to join us: the Church is open from nine in the morning, and the pastoral team there serve tea and coffee to visitors.
