Bold - new/one off events

Notices and reminders

- Please can parents be mindful of where they park at drop off and pick up times. The school gates should be left empty and not used to turn around in. An alternative to parking on Gunnsbrook Close is to use the recreation ground car park and walk in whenever possible.
- We have the school photographer in on the morning of Friday 13th October. Any family wanting to have a photo with a younger sibling not yet at school, are invited to do so from 8.30am - 9am.
- Don't forget to book your parents meetings online. If you are having problems let the office know and they will be able to book for you.
- Please can children stay away from the Anderson shelter at the back of The Ark before and after school.

Dates for the diary
